

Blanchard, ID rally July 2 – 6, 2009

Stone Ridge Motor Home Village in Blanchard, Idaho is where Terry & Truman Bennett's Northwest Chapter rally will be held. Stone Ridge has an eighteen-hole golf course, walking trails, swimming pool, hot tub, exercise room and clubhouse all available to us. There is much to do in this beautiful setting including fishing, horseback riding, hiking, golfing (of course) and much more.

The fourth of July parade in Coeur d'Alene is a must see event that will take you back in time with local craft booths and enthusiasm. Pend-Oreille Lake has a cruise boat trip available as well. There is rumor that there is or was a submarine training facility there as well. If this is true we'll try and get a tour. We'll have fun, socials and have an American Coach good time some of the evenings playing board, card and Mexican Train games.

Hope you can make this fun filled rally.
