

Lakeside, MT Rally Sept. 22-26, 2009

The Edgewater R. V. Resort in Lakeside Montana is where Janice & Jack Donovan are having this event. Be prepared for four nights and five days of Northwest Chapter fun. There will be two continental breakfasts and one sit down prime rib dinner. The park overlooks beautiful Flathead Lake and is close to Glacier National Park. According to the Glacier National Park Weather web site the weather should be beautiful, in fact they say the busiest tourist months are between June and September. The Edgewater Resort overlooks beautiful Flathead Lake and the Princess Lake Cruise Tours are only \$17.00. There are so many things to do golfing, fishing, fishing charters, horseback riding and hiking to mention just a few. We'll put together caravans for those that want to go to Glacier National Park and/or Kalispell. It's rumored that Mel and Ruth Savage will not only serve their home made soup but will share some of their home made wine as well. We will of course have our fun filled Northwestern socials with Mexican Train and Cribbage going into the late evenings. See you there.
