

Rolling Rally (Caravan) from Blanchard, ID to Decatur, IN

We will leave Blanchard, ID Monday July 6, 2009. It is about a 2,000 - 2,300 mile trip depending on the route we take. We will land in Decatur, Indiana either Saturday the eleventh or Sunday the twelfth. Everyone will travel at their own pace and schedule. We will have suggested stops along the way and a scheduled RV park to stay in overnight. Most days we will travel between 350 and 425 miles at the most. All are invited to travel with us and you may join us along the way. These trips are usually fun and bonding as well. This is a great way to travel and enjoy this wonderful RV life style.
